Become a Sponsor!

NEGPA is a regional non-profit association advocating for the development of Geothermal Systems as a dependable, cost-effective, renewable resource for New England.

Sponsorships enable you to efficiently reach a well defined, targeted audience to promote your products and services. Sponsorship gives you:

- ✓ Access to members
- ✓ Visibility on NEGPA web site – the “Resource for Geothermal in New England”
- ✓ Participation in an organization that promotes your interests
- ✓ Extended market reach to interested consumers and decision makers
